

School Age (1st grade and up)

Our extended day program offers a safe environment for children 1st grade and up. We provide the time to work on homework, eat a healthy snack, and enjoy projects and activities.

Our school age program includes transportation from the public schools in Colusa. We have extended care during minimum days and the summer. Our summer program is open from 7:30 AM – 6:00 PM during summer break. Children enjoy field trips to the bowling alley, movie theater, water slides, swimming, and other day trips.

~~The director will be notified by his or her staff. A completed enrollment packet must be on file with~~
